Weddings at The Robin Hood

Welcome to the Robin Hood Pub & Restaurant. Thank you for your interest in holding your wedding function with us. Enclosed are various menu options including 3 course sit down meals, buffets and BBQ's. We have tried to cater for most tastes, but if you require something different then please let us know and we'll do our best to tailor something specific to your needs.

We have 4 separate inside areas, including the Restaurant (seating up to 30 people), Main bar, Friar Tuck bar and Children's room. All are available separately or together, depending on the size of your wedding party and in general there is no room hire charge for bookings over 20 people*, there is however a non refundable admin fee of £50 for your booking. We are able to close the Pub to the public on certain days and/or at certain times of the year, depending on the size and time of your function, so please call to discuss if you require exclusive use.

If you are looking for more space or something a little different then the pub has ample grounds to site a marquee to provide you with an exclusive facility for your function, this will be at an extra cost to yourselves.

We can also organise a disco for your function which will be charged at cost. If you need help to decorate the pub with any decorations you may wish to provide, then we are more than happy to do this for you, however there will be a charge for this service depending on how much you need us to do.

Please let us know if you have any questions once you've looked through the options below.
